

A Handbook of Ancient Greek Grammatical Terms: Greek-English and English-Greek (AGROS)

A Handbook of Ancient Greek Grammatical Terms is a user-friendly resource that accomplishes two main objectives: to provide learners with a quick-access guide to ancient Greek grammatical terms both in Greek to English and English to Greek and to assist learners in building their grammatical vocabulary so that they can better observe, describe, and discuss grammatical phenomena that occur in ancient Greek discourse. Containing over 600 Greek grammatical terms given with accurate glosses, cited with ancient primary sources, and explained with easy-to-understand examples, A Handbook of Ancient Grammatical Terms provides an entry point to study ancient Greek grammar for students, teachers, and researchers.
