

## A Comprehensive Index to the Modern Language Journal: 1916-1996 (Modern Language Journal Index)

The Modern Language Journal is an esteemed, refereed quarterly journal devoted to questions and concerns about the learning and teaching of foreign and second languages. It publishes articles, research studies, editorials, reports, book reviews, and professional news pertaining to modern languages, including teaching English as a foreign language. This index covers the first 82 years of these influential works.
