

Courageous Leadership: A Program for Using Courage to Transform the Workplace Participant Workbook

Courageous Leadership: Using Courage to Transform the Workplace is a comprehensive training package that offers consultants and facilitators a step-by-step approach for using courage to strengthen leadership skills, improve performance, and counteract the negative impacts of fear in the workplace. The Courageous Leadership training program provides trainers and consultants the tools needed for a 1/2-day or full-day workshop. The program modules can be presented as a standalone training workshop or integrated into your organizations existing training workshops.
