

NUNCA TE DES POR VENCIDO (Spanish Edition)

Based on the principles outlined in Napoleon Hills, Think and Grow Rich, veteran financial officers Lecter and Reid craft an engaging allegory to illustrate Hills principals of success. Readers wont be bored with Lecter and Reids brisk text. Big ideas are artfully developed by revisiting and building upon previously introduced concepts. This volume will interest both the sophisticated and novice followers of Napoleon Hill and anyone looking for a practical take on the power of a positive outlook.
