

How Evolution Explains the Human Condition: Or, Why We See Beauty

Ah, the mysteries of lifeWhy is mankind a boom species? Why should we worry if it is?Why is the Bible's Curse of Eve real, and necessary for human progress?How does Panic and Blunder Thinking get us into deep, deep trouble? And if it's so bad, why do we still use it?These are questions of the human condition, and using evolution to answer these questions is what this book is all about.
