

# Freedom

Jani freaks when her parents tell her they are moving to the country, away from the home she loves, the friends she's had since kindergarten, and all the horses at the riding stable. Her only consolation is that she can bring Keeta, her beautiful pinto mare, with her. But adventures await. While cleaning out the barn on their new property, Jani sees a swirl of movement beside the black, twisted stone in the corner. The barn is haunted! With the help of a new friend, Jani sets out to solve the mystery behind the wild, angry spirit and set it free.
