

Everybody Loves Mookie

Everybody Loves Mookie is the first in a series of fifteen delightful stories for children about the antics of an innocent-faced tabby cat who sees each new day as a clean canvas for adventure. This first book introduces you to Mookie and his entire family: Mom and Dad, four lovable cats, and one very BIG sheepdog. This beautifully illustrated story shows the positive effects of being loved and cared for, and giving the same in return. Children will enjoy hearing these stories over and over again and will cherish them enough to want to read them to their own children someday. Why? Because... Everybody Loves Mookie!
