

Christmas for a Kitten

Its winter, and a lonely abandoned kitten is trying to survive in the woods. Each night, as he hunts for food, the warm glow of houses fills him with longing. While a family carries in its Christmas tree, the kitten slips into their house. There a fierce dog lives there! The kitten has not found a haven after all. But it is Christmas Eve, a night when magical things can happen. Robin Pulver's gentle story and Layne Johnson's dramatic paintings evoke the wonder and joy of Christmas. This is a fixed-format ebook, which preserves the design and layout of the original print book.
