

Jake and Pete

Jake and Pete is a road story for cats. Having learnt cat talk, Gillian Rubinstein tells a wonderfully funny and scary tale of two kit-kids who go out into the world and find it full of dogs, cars, brooms, boots, and snakes? when all they really want is a mice home with a big fridge. Join Jake and Pete as they go on the road then follow their adventures as they meet Bog the Drain Boggart and later Lass and Laddie the Stray Dogs. More adventures ensue as they find a new home in The Magpies Wedding and get into showbiz in Catcrowbats.
