

## Leadership Learning Moments for the New & Maturing Leader

Product Description Leaders gain wisdom through experience. New leaders lacking experience and wisdom often struggle with understanding their role and particularly how they can impact the lives and productivity of their employees. Leadership Learning Moments for the New & Maturing Leader provides insight, inspiration, wisdom, and simple concepts to leaders as they work through gaining wisdom in the art and science of leading others. This is the 1st in a series of books consolidating Michael Hollands weekly insights on leading well at all stages of leadership maturation.
