

With thrills, chills, and laughs on every page, plus a boy-girl rivalry that will leave you in stitches, this is one frighteningly funny book you dont want to miss. In this second book in a middle grade series thats sure to please young readers looking for a thrill (Kirkus Reviews, starred review), three monster-obsessed friends must take on a mad scientist who is literally stitching together a Frankenstein-esque football team. Nick, Carter, and Angelo are back to monster business as usual. Theyre even filming a monster movie for a school project on Building a Brighter Tomorrow. (Theres a connection there somewhere, they swear.) But when a new private school arrives in town boasting a football team thats inhumanly good, the boys start to suspect they may have a real monster mystery on their hands. And whats worse, they may need help from their girl rivals, Angie, Tiffany, and Dana, to get to the bottom of it.
