

My Cannoli Has A Surname: A Genealogy Resource Picture Book for My Kenosha WI Italian Families and Inter-active Family History Album (Gallo & Cerminara Branches 1)

A genealogy and resource picture book on select Kenosha, Wisconsin Italian-American families, directly related to my family roots and many others. This book covers 4 generations back from my fathers birth and the relationships of the extended family in those generations. This is the first edition of a series covering the genealogy of the Gallos and Cerminara families. Giuseppe Gallo being my fathers great Grandfather, and Catherine Gallo, my fathers great aunt, also sister to Giuseppe, that immigrated from Consenza Italy to Kenosha, WI. The continued series will research the extended families of their spouses, parents and siblings of their spouses to include their childrens families and so on. Genealogy is just an ongoing, constant flowing wealth of historical information. This book is just the beginning of a collection that will all connect by one or more family members in one tree that will lead to many others.
