

## Strum Bum: A Fictional Story About A Real Horse

The day was beautiful, a perfect day to hang out at the racetrack. The meet was well along and crowds were good. The weather was in an in-between state, not too cold and not too hot perfect for the horses and their fans. Then came an announcement: Attention everyone! We have an emergency. A four-year old boy, Mickey Lewis, is missing. He was last seen with his dad and little brother in the barns. Hes wearing a red shirt, blue jeans, and a blue baseball cap. Mickey has autism, is extremely fearful, and does not talk.
