

Pocket Business French Dictionary (Bilingual business glossary series) (French Edition)

Defining more than 5,000 business words and expressions each, these pocket dictionaries are ideal take-along references for anyone conducting business in French- or German-speaking countries. Common business language, office phrases, stock market and trading terms, and accounting jargon are defined using vocabulary that is appropriate for nonnative speakers and beginning language students. This new edition of the German dictionary has been fully updated and revised to incorporate the new German spelling system.
