

Private Music Collections: Catalogs and Cognate Literature (Detroit Studies in Music Bibliography)

Music researchers, bibliophiles, students of collectors and collecting are offered an exhaustive list of literature relating to private music collections that includes books and descriptive articles (both published and unpublished), manuscript lists, household inventories, and sale catalogs. The earliest list is dated 1467, the latest 1955. Present locations of collections are given. Book complements authors earlier work, Musical Instrument Collections: Catalogues and Cognate Literature (Detroit Studies in Music Bibliography, no. 47, 1981).
