

The Magic Belt

This Christmas Eve Juster, the littlest elf, is finally old enough to help in Santa's workshop. The sleigh is fully loaded and Juster is eager to help Santa and the reindeer. But, Santa says the young elf must stay behind once more. When Santa runs into a problem delivering toys, can Juster save the day?

Author-illustrator Kathy Pollak has been sharing this story with children in her classroom for years. This charming Christmas book is now available for your whole family to enjoy. Beautifully illustrated, *The Magic Belt* is an ideal holiday read aloud for children of all ages.
