

# I Can Breathe Again: A look at Healthy Female Sexuality

Have you ever wondered what sex has to do with you as a person? What is sex and sexuality? Is it just an act or is there more to it? Why do people tell us to wait until we are married? Have you ever felt that you are no longer desirable to anyone? Explore with me and take a fresh, new look at sex and sexuality. What is the difference and what does one have to do with the other. Dana Goehring is an adult survivor of childhood sexual abuse. In her healing process, she discovered that her sexuality and having sex were entirely two different things. Walk with her through four steps of sexuality and what it really means to be a woman. Take a look, if you dare, at what Gods Word says about sex and sexuality. You may be surprised to discover that God cares more about your sexual status than your marital status.
