

Yearbook of the International Law Commission 2006: Vol II Part 2 (Volume II)

The Yearbook contains the official records of the International Law Commission and is an indispensable tool for the preservation of the legislative history of the documents emanating from the Commission, as well as for the teaching, study, dissemination and wider appreciation of the efforts undertaken by the Commission in the progressive development of international law and its codification. Volume II (Part Two) reproduces the edited version of the annual report of the Commission to the General Assembly.
